

Missouri River Cultural Conservancy Development Plan

MoRivCC will record more events and expand outreach to the Central Missouri Arts Community by:

- Forging partnerships with other local arts organizations to share planning and costs of projects
- Receiving input from the community to plan future events
- Increasing TV programming available to the community
- Making DVDs available to artists and the community
- Acquiring modern equipment to increase capabilities

MoRivCC will acquire new equipment by raising funds from a variety of sources including:

- Two major fundraising events each year
- Partnerships with other organizations for fundraising events
- Grants to fund specific recording projects
- Grants to purchase specific types of equipment
- Donations from local businesses
- Donations from individuals
- Sales of sponsorship packages

MoRivCC will continue to explore new ways to fund our activities. Regardless of new ways to raise money, support from our local community will always be essential to the future success of MoRivCC. We will continue to rely on volunteers to do most of the work. Many people who understand the importance of documenting the creativity of local artists will find ways help by volunteering to run video cameras, record audio, document events and archive our recordings. Others will prefer to make a tax deductible donation or purchase a sponsorship package for their local business. Please donate generously to help us continue our mission.

MoRivCC is a 501(c)3 nonprofit organization. Contact information to donate by check or Pay Pal can be found on our website at www.morivcc.org.
